RE: Parish Award Application

Item #5 under “Application Procedure”

WAIVER

The requirement for applicants to attend the Baccalaureate Mass is waived this year. Since Covid is a fluid situation, the Parish Awards Committee recognizes that some students may still not feel comfortable attending mass in person and the committee feels those students should not be disqualified from being granted an award if they have been chosen as recipients.

That being said, the Baccalaureate Mass & Reception is still currently on hold for now. Updated information about the status of the mass will be forthcoming.
